1) An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. P. DiMattia on 6/19/2007.

The application has been amended as follows:

The phrase "one or both the upstream and downstream sides of each roll 58 and 62 is conditioned.", located between claim 1 and claim 2 is deleted.

Claims 24-34 are cancelled.

2) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the cited prior art does not show: an apparatus for conditioning a continuous belt that includes a chemical shower located proximate to the face-side roll in a press section prior to a dryer section of a papermaking process and on the same side of a face-side roll, the shower operable to spray conditioning chemicals or water on a water impermeable surface of the belt or the face-side roll (claim 1); a paper machine that includes a press section, a continuous belt that passes through the press section prior to a dryer section, the belt having a water impermeable surface, a face-side roll in the press section that contacts said water-impermeable surface; and a chemical shower placed proximate to the face-side roll in the press section and on the same side of the face-side roll, the shower operable to

spray conditioning chemicals or water on the water impermeable surface or the face-side roll (claim 17).

The closest prior art, Dunlap (3,055,496) does not show the invention; Dunlap does not disclose the claimed structural features in a press section prior to a dryer section in a papermaking process.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Halpern whose telephone no. is 571-272-1190.
